Mental Health, End of Life Care, and COVID-19 Pandemic

We want to know about the mental health of healthcare professionals who worked in end of life care in the UK during the COVID-19 pandemic.

- If you are:
- A UK resident
 - Over 18 years old
 - Worked in end of life care during the pandemic

We want to hear from you!

We are recruiting participants for **online interviews** (for around 30 minutes over Zoom).
If you are interested in participating, please contact us at edmonds@hku.hk to book an interview.

This study has been approved by The University of Hong Kong Human Research Ethics Committee (Ref ID: EA210454).
